It was a lovely sunny day in Toothtown and everybody's friend Tommy Tooth, decided to go for a walk and see some of his friends.

What a lovely morning.  
What could spoil such  
a wonderful day?

Suddenly the Plaque Attack Gang appeared and leading the way was Plaque Attack himself. He was made of yucky bits of old food that hadn't been brushed away and 'pooh' he smelled bad too!

Today feels like a day to cause trouble in Toothtown, gang.

With Plaque Attack around, the rest of the gang were never far behind...Silly Sugar, Lethal Lolly, Fizzy Pop and Crazy Crisp were always on hand to cause trouble in Toothtown.

The Plaque Attack Gang wasted no time and set about putting holes in all the teeth in Toothtown. Tommy's friends looked on in dismay.

Oh no! What am I going to do?

You'll never stop us! Somebody hasn't been brushing their teeth so we can cause some real damage!

Looking around for help, Tommy found his friends Ivan Incisor and Carla Canine, hiding behind the town hall with Mayor Molar.

There was no time to lose and Tommy knew just where to start. He sped off to find the Good Food Guys.

Tommy!  
You have  
to help us!

Please help  
us get rid  
of the nasty  
Plaque Attack  
Gang. They're  
frightening  
Ivan Incisor!

The Good Food Guys were  
everybody's favourite group; they  
went around helping everybody and  
keeping Tothtown clean and shiny.

It wasn't long before Tommy found the Good Food Guys. Mellie Melon, Pedro Pepper and Crunchy Apple were talking about their plans for the day...

Good Food Guys, we need your help. The Plaque Attack Gang are making a mess in Toothtown!

We can't have that!

Definitely not! How can we help?

Well done for coming to us Tommy, you did just the right thing. Let's all head to Toothtown and we'll do what we can.

The good food guys set off towards town.
